## Happy Holidays from Mid Valley Disposal

As we embark on a new year we would like to thank everyone that made 2017 so exceptional and productive. Your support has been invaluable to our mission. We have been busy with the operations of our new Material Recovery Facility and Compost Facility. We have grown and so have our aspirations for 2018. As we look ahead, expect to see (much more) community involvement that reflect our values. We have much to do—our team recognizes the issues concerning the City of Fresno. Together with City staff we'd like to find solutions in a means that benefits Mid Valley Disposal, our customers, and the communities we serve in the long run. We invite your feedback, and encourage you to help make a difference. We wish you and your family a Merry Christmas and a year of enriching breakthroughs!

### HOLIDAY COLLECTION SCHEDULE

- Mid Valley Disposal will be closed for the following holidays:
- Christmas Day— Monday, December 25th, 2017
- New Years Day— Monday, January 1st, 2018

If your pickup falls on this date, we will collect your waste the following day. For more information regarding our holiday schedule, please contact us at **559.237.9425**. Thank you.

### HORARIO DE COLECCIÓN EN DÍAS FESTIVOS

- Mid Valley Disposal estará cerrado en observancia de:
- Navidad— Lun. 25 de diciembre de 2017
- Año Nuevo— Lun. 1 de enero de 2018

Si le toca servicio en este día, el día de recolección se trasladara al día siguiente. Si Usted tiene alguna pregunta, por favor llámenos a **559.237.9425**. Gracias.

We're so excited to be participating in Downtown Fresno's 88th Annual Christmas Parade! We will not only be sponsors but our team will also be building a Funky Fulton Christmas float. We hope to see you on Saturday, December 2!

# STOP. THINK. SORT.

The holiday season is approaching! That means time for family gatherings, holiday parties, festive decorations and gift giving! This is also a time where a lot of waste is produced—household waste increases by more than 25 percent. Added food waste, shopping bags, packaging, wrapping paper, bows and ribbons—it all adds up. And it's not just trash. Mid Valley Disposal would like to remind you of the different materials that should be kept out of the trash during this holiday season. Please place the following items inside your recycling cart or bin:

- Greeting Cards
- Paper Products
- Gift Wrap Products
- Plastic Containers
- Plastic Gift Cards
- Tin Cans

## Non Recyclable Items:

- Plastic Tub Containers
- Wood
- NO Styrofoam
- Plastic Bags
- Ribbon Twine, Ornaments
- Electronics, Small Appliances
- Glass Dishes, Tableware

## CPI Increase

Dear City of Fresno Commercial Customers,

We value our partnership with the businesses in the City of Fresno and believe that a strong relationship is based on providing excellent service at the best price. We work hard every day to ensure effective and efficient service; however, like you we cannot avoid the rising costs of doing business. Therefore we are implementing a CPI rate increase on January 1st, 2018. The Consumer Price Index (CPI) measures the cost of different products and services across the country and is published monthly. As always, we are committed to providing excellent service to the businesses we serve.

We value our partnership with the businesses in Fresno and look forward to providing excellent service for years to come.

## NEW MVD CUSTOMERS

We are continuing to educate businesses about our recycling programs. Our goal is to reduce waste by keeping it out of the landfill. Thank you for your commitment:

**Veterans Affairs Medical Center**  
**Fresno Community Regional Medical Center**  
**Fresno State University**

## Why wasn't my recycling cart/bin picked up?

If you see a notice on your recycling bin with the words "WARNING", your recycling or organics bin was contaminated with unaccepted material(s) and will need to be removed in order to be serviced as recycling. The sooner you contact us the faster we can better serve you and provide you with details and reason for no service. If you would like more information on our technical assistance program and resources please contact us at **559.567.0520**.
