

Most Common Contaminants

**MID VALLEY
DISPOSAL**
RECYCLING & TRANSFER STATION
Locally Owned and Operated

Help keep these common contaminants **OUT** of recycling bins/carts.

NO Hoses, Holiday Lights, Hangers & Extension Cords

They wrap around equipment and can shut down our entire facility! They all go in the trash.

NO Kiddie Pools, Toys & Non-Recyclable Plastic

Not everything that is plastic is recyclable! Recycle only food & beverage bottles, cardboard, glass.

NO Plastic Bags, Strands & Styrofoam

Customer can take plastic bags back to a local grocer or visit plasticfilmrecycling.org.

NO Concrete, Wood & Construction Debris

Large quantities may require special disposal or roll off bin.

NO Scrap Metal, Tools, Nails & Bikes

Customer may contact local scrap recyclers for recycling options.

NO Tires & Auto Parts, Metal/Rubber Bumpers

Can damage equipment & are safety hazards. Customer may check earth911.com for a drop off center near them.

When in doubt, keep it out!
